CDRS HOUSE OF BLESSINGS

CDRS

For two decades since the 2005 earthquake, Comprehensive Disaster Response Services (CDRS) has been a beacon of hope and vital aid for people in crisis. By focusing on clean water, healthcare, economic empowerment, environmental restoration, and support for neglected communities, CDRS has played a pivotal role in transforming lives across Pakistan.

KEY PROJECTS

From the House of Blessings for widows and orphans and the Benji Project for animal welfare, to healthcare facilities for mothers and children, clean drinking water initiatives, and disaster relief during earthquakes, floods, and IDP crises — CDRS projects reflect our commitment to enduring, positive change across Pakistan and our dedication to making a lasting difference in the lives we serve.

A HEARTFELT THANK YOU

TO OUR FAMILY OF SUPPORTERS, DONORS, AND SPONSORS,

For over two decades, your generosity has been the heartbeat of CDRS, powering our humanitarian work on the ground: emergency relief, mother and child healthcare, care for widows, single mothers, orphans, and abandoned children, clean drinking water, animal welfare and rescue, and education and empowerment for deserving communities across Pakistan. Together, we've stood with families in their darkest hours — building shelters, saving children, rescuing animals, and delivering aid and hope where it was needed most.

As an operational field team focused on serving communities, saving lives, and responding to disasters, I've been so immersed in our mission that I have sometimes fallen short in staying connected with you, our remarkable donor family. Yet we have never forgotten the compassion, commitment, and generosity that make our work possible.

Today, I want to reconnect — to thank you for all you've helped build, and to ask you to continue walking with us in service to humanity. The challenges remain great, but with your partnership, the positive impact we create together is even greater. To stay more connected, we will launch a quarterly newsletter this year and invite you and your family to visit our projects in the field. Supporters who have visited have called it a transformational experience, and we hope you and your families will come see our work and meet the communities we serve whenever possible.

Please feel free to reach out to me at any time via email, social media, phone, or WhatsApp. You are not just a supporter. You are the heart of this mission and a treasured part of our family, always.

WITH SINCERE GRATITUDE

TO OUR DONOR FAMILY

I am delighted to share that for over 20 years, your unwavering support has been the cornerstone of CDRS and the driving force behind our mission. As Chairman, I extend my deepest gratitude to each member of our donor community for your consistent trust and commitment.

Your generosity has enabled us to make a meaningful difference across animal welfare, healthcare, shelter, food, water, and sanitation initiatives. Because of you, countless lives, both human and animal, have been protected, cared for, and given hope.

Your trust and commitment inspire us to continue serving with integrity and compassion. Together, we have built something truly impactful, and together, we will continue to expand this legacy of care and service.

Thank you for being an essential part of the CDRS family.

GRATEFUL FOR THE EXCELLENCE
OF MY GLOBAL CDRS TEAM

We ended the year 2025 on a high.

Despite several challenges, both domestic and global, which impacted the total pool of funds that we had to work with, together with you, and with your help, we did not let down those under our care, who we are responsible for, and those who got introduced to our care.

We closed the year in growth in all our projects and with much to be proud of. The CDRS team and I express our heartfelt gratitude to you all, anywhere you are in the world, for your constant support and engagement with us. I look forward to sharing details of the impact that together we have had through our projects in **2025**, and to growing together in 2026, breaking limits!

2025 IN REVIEW

REACH AND IMPACT

In 2025, CDRS delivered coordinated humanitarian aid and development assistance across Khyber Pakhtunkhwa, Punjab, AJK, Gilgit-Baltistan, Sindh, and Balochistan, responding to disasters while strengthening community resilience through projects focused on community healthcare, clean drinking water, food security, care of widows and orphans, and animal welfare. Operations were implemented in geographically challenging and security-sensitive locations with a strong focus on respect, dignity, accountability, impact, and sustainability.

EMERGENCY RESPONSE & DISASTER RELIEF

Rapidly supported communities affected by natural disasters and their aftermath.

HEALTHCARE & MEDICAL ASSISTANCE

Ensured access to quality healthcare for vulnerable rural communities.

FOOD SECURITY & HUNGER ALLEVIATION

Provided sustainable access to food, reducing hunger for low-income and disaster-affected populations.

ANIMAL WELFARE & RESCUE

Supported vulnerable animals and implemented humane stray animal depopulation, to reduce negative impact on public health

SHELTER & SOCIAL PROTECTION

Provided secure housing and long-term support for widows, orphans and vulnerable families.

YOUTH ENGAGEMENT & COMMUNITY EMPOWERMENT

Empowered youth and communities to actively participate in their sustainable development.

EDUCATION & CAPACITY BUILDING

Provided access to learning and skills development for children and marginalized communities.

LONG-TERM STRATEGIC IMPACT

Education, vocational training and infrastructure projects to foster long-term development.

DISASTER RESPONSE & RECOVERY

CDRS implemented **flood and emergency response operations** in multiple affected districts, in **KPK, Punjab & GB.**

- **CDRS** distributed mosquito nets to flood-affected families, reducing the risk of mosquito-borne diseases in the post-disaster period.
- Eleven medical camps were conducted in flood-affected communities of **Khyber Pakhtunkhwa** and **Gilgit-Baltistan**, providing urgent healthcare to vulnerable families.
- Other relief activities included the distribution of ration, cooked meals, medicine packs, clean drinking water, clothing, shoes, carpets, stationery items, religious books, household items, sanitary kits and goodie bags for kids.
- A major recovery milestone was achieved through a housing project implemented with **MARI Energies Limited**.

3 RESIDENTIAL HOMES & TARGETED SOCIAL SUPPORT SERVICES

The **House of Blessings** initiative has provided safe shelter and long-term care to widows, orphans and vulnerable families. Our resident families receive meals, healthcare, and emotional support, while children are enrolled in quality educational institutes and provided with school supplies, mentorship, and counseling. The program aims to give widows, orphans, and abandoned children as normal a life as possible with genuine loving care, with trainings and livelihood opportunities that promote confidence, independence, and stability. CDRS also provides monthly food assistance and support to vulnerable households, along with medical aid and education support where needed. Together, these services help families transition from crisis and dependence toward dignity, security and self-reliance.

ANIMAL WELFARE
BENJI PROJECT

The **Benji Project** continued its nationwide animal-welfare and **TNVR-E** (Trap, Neuter, Vaccinate, Release - Educate) efforts, delivering humane rescue, treatment and rehabilitation for stray and abused animals **across Pakistan**. The program focuses on ethical care, medical treatment and long-term welfare solutions, while educating the society about the importance of animal welfare to the health of human beings.

IN 2025,

1,670
Animals were treated and supported.

CDRS Benji Project has formalized strategic collaborations through MoUs with Punjab Police (PARC), as well as major support from the Sindh Government. These partnerships strengthen coordinated response mechanisms and reinforce ethical, responsible animal welfare practices, including the rescue, rehabilitation, and long-term care of abandoned and injured animals across Pakistan. We aim to continue expanding our coordination with all district, provincial, and national government entities.

NOTABLE MILESTONES 2025

MOU WITH GOVT. OF SINDH

An MoU has been officially signed between the Sindh Government and CDRS for Benji Project, an animal welfare initiative dedicated to rescuing, rehabilitating and providing lifelong care to abandoned and injured animals in Pakistan. This collaboration underscores the Government's commitment to funding and supporting animal welfare and rescue across the province.

FLOOD RELIEF MISSION 2025

As part of its long-term disaster relief and rehabilitation efforts, the Flood Relief Mission 2025 marked CDRS's 12th disaster response initiative overall. In 2025, CDRS implemented extensive flood and emergency response operations across multiple affected districts in Khyber Pakhtunkhwa, Punjab, and Gilgit-Baltistan. The intervention included the distribution of ration, cooked meals, mosquito nets, medicine packs, clean drinking water, clothing, and essential household items, alongside the establishment of twelve medical camps to provide urgent healthcare services. These efforts supported 68,547 individuals and 1,735 livestock, significantly reducing post-disaster health risks and strengthening community resilience.

CAMMIE AND CHANDNI
THE CAMEL

A major milestone for **CDRS** was the rescue and rehabilitation of two severely abused camels, Cammie and Chandni, whose journeys reflect resilience, innovation, and compassionate care.

Cammie became the first animal in Pakistan's history to receive a prosthetic limb following a cruel and brutal assault. With her new prosthetic leg, she has begun walking again, becoming a powerful symbol of hope, resilience and advancement in animal rehabilitation.

Chandni, a female camel rescued from severe abuse in Sukkur, continues her recovery under the care of CDRS Benji in collaboration with the Government of Sindh. Following the removal of her jaw brace, she can now feed independently. She remains under medical supervision as her rehabilitation continues, with gradual progress toward standing again.

Together, Cammie and Chandni represent CDRS's commitment to compassion, innovation, and long-term rehabilitation.

LOOKING AHEAD:

STRATEGIC PRIORITIES AND EXPANSION PLANS FOR 2026

Building on the significant achievements of 2025, **Comprehensive Disaster Response Services (CDRS)** is committed to expanding its humanitarian and development initiatives to reach even more vulnerable communities across Pakistan. The organization will continue strengthening its integrated approach to disaster response, healthcare, food security, social protection, animal welfare, and sustainable development.

EXPANSION OF CLEAN WATER PROJECTS

Following the successful implementation of 50 clean drinking water projects in 2025, CDRS plans to significantly expand its H2O Programme across water-scarce districts. Future initiatives will focus on additional solar-powered water systems, community-managed water facilities, and sustainable water infrastructure designed to improve public health, reduce waterborne diseases, and support agricultural livelihoods.

MARI MOBILE DASTARKHWAN GROWTH & Food Security Expansion

After providing nutritious meals to more than **215,000** beneficiaries through the Mari Mobile Dastarkhwan programme, CDRS aims to increase food outreach through additional mobile food units, expanded community kitchens, and targeted hunger-relief interventions. The programme will focus on underserved urban communities, disaster-affected populations, daily wage earners, and vulnerable households facing food insecurity.

HOUSE OF BLESSINGS (HOB) EXPANSION

CDRS will continue strengthening and expanding the **House of Blessings** program for widows and orphans. Future plans include increasing residential capacity starting with a new home in Lahore, establishing additional support services, enhancing educational and vocational opportunities for children and women, and expanding livelihood programmes that promote education, wellbeing, long-term self-reliance, dignity, and economic empowerment.

BENJI PROJECT EXPANSION

The **Benji Project** will continue its nationwide growth as a leading animal welfare initiative. Building on strategic partnerships with government institutions and stakeholders, CDRS plans to expand TNVR-E (Trap, Neuter, Vaccinate, Release and Educate) operations, strengthen rescue and rehabilitation services, increase veterinary outreach, and develop additional animal welfare facilities to improve the lives of both urban stray animals and rural livestock populations.

HEALTHCARE PROGRAMME ENHANCEMENT

CDRS will further strengthen healthcare services through its permanent health centres, mobile medical missions, and community outreach programmes. Particular emphasis will be placed on maternal and child health, preventive healthcare campaigns, disease prevention initiatives, and improved healthcare access for underserved and remote communities.

COMMUNITY DEVELOPMENT AND YOUTH ENGAGEMENT

CDRS will further strengthen healthcare services through its permanent health centres, mobile medical missions, and community outreach programmes. Particular emphasis will be placed on maternal and child health, preventive healthcare campaigns, disease prevention initiatives, and improved healthcare access for underserved and remote communities.

2025 YEAR IN REVIEW

IN 2025

CDRS strengthened disaster recovery in fragile and security-sensitive locations, expanded access to healthcare and safe water, protected food-insecure households, safeguarded widows and orphans and advanced humane animal-welfare practices. Guided by compassion, professionalism and accountability, CDRS continues to serve people, animals and communities across Pakistan, creating sustainable and meaningful impact.
