

AUDITORS' REPORT TO THE MEMBERS

We have audited the annexed balance sheet of Comprehensive Disaster Response Services - CDRS (the Society) as at December 31, 2014 and the related statement of income and expenditure and statement of cash flows together with the notes forming part thereof (here-in-after referred to as the financial statements), for the year then ended. It is our first year as statutory auditors of the Society, the last year's financial statements were audited by another firm of chartered accountants who issued an un-modified audit opinion.

It is the responsibility of the governing body to establish and maintain a system of internal control, and prepare and present the financial statements in conformity with approved accounting standards as applicable in Pakistan. Our responsibility is to express an opinion on these financial statements based on our audit.

We conducted our audit in accordance with the auditing standards as applicable in Pakistan. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting policies used and significant estimates made by management, as well as, evaluating the overall presentation of the financial statements. We believe that our audit provides a reasonable basis for our opinion.

In our opinion the financial statements present fairly in all material respects the financial position of the Society as at December 31, 2014 and of its surplus and cash flows for the year then ended in accordance with approved accounting standards as applicable in Pakistan.
